Thank you for shopping with AEP.

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utility Commission regulates distribution rates and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

Understanding Your Bill

Customer Charge - Monthly charge to recover costs of billing, meters and equipment.

Distribution Charge - Monthly charge to recover costs of local equipment used to deliver electricity from high-voltage transmission lines (see Transmission Charge) and safety step down voltage for use in your home or business.

System Improvement Charge - Monthly charge to recover costs for improving, repairing and replacing equipment that delivers electricity to your home or business.

kWh (Kilowatt-hour) - A measure of how much electricity your household uses. One kilowatt-hour equals the amount of electricity used by 100-watt lights left on for one hour.

Smart Meter Rider - Monthly charge to recover costs associated with the smart meter programs approved by the PUC.

Type(s) of Meter Readings:

Actual - Measures your monthly electricity use based on an actual reading.
