# INVESTING IN TOMORROW

PPL Electric Utilities believes a strong foundation in education is critical to reshaping the workforce of tomorrow. Through these EITC grants, PPL Electric is supporting 118 Education Improvement Organizations and Pre-K Scholarships across 21 counties. **Since the program began in 2001, PPL Electric has contributed nearly \$20 million toward education in the state**, affirming a commitment as community partners to support a better tomorrow. You can find more information about the EITC program at the end of this report.
